Subject index Volume 64, 1989

fn=Fetal and neonatal edition

- Abdominal wall, anterior, defects, 1029
ABO incompatibility, does it matter: correspondence, 632
Abstracts, British Paediatric Association, Annual General Meeting, York, April 1989, 1210
Accidental feeding of dilute antiseptic solution to five babies: correspondence, 1095
Accidents, home, injuries to children, severity measured: correspondence, 180
ACTH response, dexamethasone in suppression, preterm babies: short report, 612: correspondence, 1514
Acute lymphoblastic leukaemia, thyroid function in children after treatment: correspondence, 631
treatment centre size, entry to trials, and survival, 657
Adenomatous polyposis coli, familial, as paediatric problem, 1215 *abs*
Adrenal response in very low birthweight babies after dexamethasone treatment for bronchopulmonary dysplasia, 1721
Age and weight at menarche, 383
AIDS
 impact on neonatal care: annotation, 4 *fn*: correspondence, 892
 implications for controlling, and teenage sexuality, 1240
 paediatric, and HIV infection, United Kingdom, 1213 *abs*
Airway obstruction, acute, increases in plasma concentrations of prostaglandin metabolite, 1112
Aldosterone, plasma, and renin activity: short report, 139
Alkaline phosphatase, high, activity and growth, preterm neonates 902 *fn*
Aluminium, increased concentration in brain of parenterally fed preterm infant, 1316
Amino acids
 early parenteral feeding, 1362 *fn*
 plasma concentrations, parenterally fed preterm infants 939 *fn*
Amoxycillin treatment of *Campylobacter pylori* gastritis, long term results, 326
Anaemia
 mild, response to iron, toddlers: short report, 400: correspondence, 1096
 of prematurity, prevention: neonatology - then and now, 1755
 screening, evaluation of haemoglobinometer, 1468
Analgesia and pain in newborn: annotation, 441 *fn*
Aneurysm
 of ductus arteriosus, 1386 *fn*
 of vein of Galen, 1612
Angelman's syndrome, clinical features, 83
ANNOTATIONS
 Arteriovenous malformations involving the vein of Galen, 1653
 Blood pressure monitoring in the newborn, 444 *fn*
 Cholesterol and diet, 647
 Congenital glaucoma - a preventable cause of blindness, 649
 Congenital heart disease in the adolescent, 771
 Consent for children and adolescents who have an intellectual handicap, 1529
 The cystic fibrosis gene, 1647
 Does early intervention 'work', 1103
 Fragile X mental retardation, 1223
 Group A streptococci revisited, 977
 High frequency positive pressure ventilation in neonates, 1 *fn*
 Immunity to viruses, 1649
 Impact of AIDS on neonatal care, 4 *fn*
 Insecticides in pediculosis capitis, 69
 Intervention after birth asphyxia, 66
 Intracranial haemorrhage and non-accidental injury, 188
 Living with a mentally handicapped brother or sister, 513
 Pain and analgesia in the newborn, 441 *fn*
 Pain relief, 1101
 Research in community child health, 981
 Salmonellas and eggs, 1419
 Surgery for epilepsy, 185
 When to do a lumbar puncture in a neonate, 313
Anorectal malformations with sacral bony abnormalities, 1618
Anorexia nervosa and food avoidance emotional disorder, 346
Anticonvulsants in neonatal seizures, clinical and electroencephalographic response, 459 *fn*
Antidotoxin therapy for fulminant meningococcal septicaemia, pilot study, 1217 *abs*
Antineutrophil cytoplasm antibodies in Kawasaki disease, 360
Antiseptic solution, dilute, accidental feeding to five babies: correspondence, 1095
Apnoea, seizures presenting as, 357: correspondence, 1207
Arginine hydrochloride infusion, urea concentration rise after: correspondence, 1643
Arteriovenous malformations involving vein of Galen: annotation, 1653
Ascites, fetal, unusual presentation of Niemann-Pick disease type C, 1391 *fn*
Aspergillus fumigatus in cystic fibrosis, IgG antibodies: correspondence, 1094
Asphyxia, birth, intervention after: annotation, 66: correspondence, 1092
Asthma
 admissions, rising, and self referral: correspondence, 308

- and school holidays, **103**
 associated with respiratory symptoms, 7 and 11 year old schoolchildren, **1118**
 and chronic cough in hospital population, **1593**
 management, consensus statement: special report, **1065**:
 correspondence, **1760**
 prevalence changing: current topic, **172**
 two surveys 15 years apart, **1452**
 and sudden death, **1446**
 and transient tachypnoea of the newborn: short report, **277**
- 2-year-old** can use tube spacers, **742**
 wheezing, and school absence in primary schools, **246**
- Ataxia telangiectasia**, leukoencephalopathy after prophylactic radiation for leukaemia: correspondence, **761**
- Atopic eczema**
 dietary treatment: personal practice, **1506**
 few foods for diet treatment, **1691**
 and growth, controlled study by questionnaire, **1566**
 and measles immunisation: correspondence, **893**
- Atopy**
 and atopic asthma gene located on chromosome 11q13, **1220 abs**
 and chronic cough in hospital population, **1593**
 prevalence and range of bronchial response to methacholine, 7 and 11 year old schoolchildren, **1126**
 respiratory symptoms, and bronchial response to methacholine, association between, **1133**
